WHAT DOES THE INSIDE OF A TACK TRUNK LOOK LIKE?

You can have many options to outfit the inside of your tack trunk. Our standard trunks come with a sliding tray and a removable tote. Some opt to get a show tote to replace the removable tote so you can take it to the show ring.

You can add a bandage lid to the inside of your tack trunk or a cork, mirror and whiteboard insert.

You can add a bit box with extra dowels, you can add an organizer and a sliding tray. Explore below the many options you can add to the inside of your tack trunk.
